

July 22, 2024

Dear Statesmen Marching Band, new and returning Wind Symphony and Concert Band members, and other prospective Truman Bands students:

Welcome to the 2024-2025 edition of the Truman Bands! I am excited for our upcoming year and I look forward to meeting all of our new Truman Bands members. We have several new faculty joining us this year including Dr. Aren Van Houzen as our new trumpet professor and Dr. Jill Phillips, our new applied voice faculty, both of whom will be joining Wind Symphony I in performance on November 18 for the Honor Band concert!

We have an amazing staff and leadership team lined up for the 2024 Statesmen season. The theme of the show this season is Rock and Roll World Tour! The Showgirls will join us again to perform at the games. All incoming Statesmen will complete a "Statesmen Check-in" on Wednesday, August 14 after getting settled on campus. Returning members are encouraged to check-in then as well.

Regular rehearsals and performances will again be in Baldwin Hall Auditorium. All concerts will be live streamed and can be found at this link: <https://www.youtube.com/@trumanmusicconcerts>. Regarding enrollment, please enroll in the ensemble you were in last year or if you are an incoming student (and haven't enrolled yet) enroll in Wind Symphony II. The ensemble you are enrolled in now is not binding. **After you audition during the first week of school, whatever ensemble you are assigned to will be the one to which you should change your enrollment.** There is no penalty for changing the section you are enrolled in during the first week of school.

This mailing includes important information for you to read before arriving on campus (some things have changed so read *carefully*):

I invite all returning members to join us during the Truman week evening rehearsals. This is a great way for you to begin connecting with our newest members. Section leaders and drum majors will be able to move in early and will take part in our leadership retreat on Tuesday, August 13. This is an exciting opportunity for Statesmen leaders to come together to hone their leadership skills and to help shape the season ahead. All other returning members will be able to check-in and be issued lockers and instruments on Sunday, August 18 from noon-2 and attend the first FULL rehearsal in OPPH at 2pm. Percussionists please note your individualized schedule and extra rehearsal times with Dr. Bump. Everyone please fill out the Statesmen Personnel Information at <http://bands.truman.edu/statesmen-personnel-info/>.

There are several important things for new members to note. School instruments and lockers will be issued at that time (other times available during Truman week as well). The first activity for freshmen to attend after Check-in is on **Thursday, August 15 at 6:15pm in Ophelia Parrish**. This is a general music interest meeting that will include information about auditions, instruments, lockers, and other updates. If you have any questions about auditioning for Wind Symphony please email me. I will be available during for office hours or email me to arrange a time.

**All Statesmen** will need to provide the following:

1. All white marching shoes (these can be ordered when you arrive on campus-please bring along \$30) and white athletic shoes.

## Wind Symphony Auditions

Auditions for Wind Symphony (1 and 2) will take place August 18, 19 and 20. Ensemble placement will be determined through a **blind audition**. This means that your placement will be determined based solely on your playing during the audition without the panel knowing the identity of the person auditioning. Everyone auditioning for Wind Symphony will play: 1. Scales, 2. Excerpts, and 3. Sight-reading in that order. Either a GTRA or band staff member will proctor the auditions during which you will enter the room silently, play the required items, and leave silently. This process promotes fairness and rewards progress. The audition music for winds can be found at <http://bands.truman.edu/current-students/> categorized by instrument. **All Clarinets will audition on Bb soprano or Bass.**

All auditions will be completed during the first two days of classes and will be posted outside my office by Wednesday morning as well as emailed. Regular ensemble rehearsals will begin Wednesday, August 21. If you have an unavoidable conflict with the audition, please email me ([cprend@truman.edu](mailto:cprend@truman.edu)), and arrangements for an alternate audition time will be made. *Please make every effort to attend your instrument's audition time.*
